

## CERTIFICATION COSTS

Certification costs consist of:

- Fee for Information Document Portfolio;
- Fee for certification application analysis;
- Estimates of charges for certification process stages: documentation analysis, audit, tests, results evaluation, issuing the final documents, surveillance activities. Estimates of charges are prepared for each stage or cumulatively, for several stages, of the certification process, according to Romanian Automotive Register methodology, as follows:

Material expenses:  
 Direct workmanship:  
 C.A.S.:  
 Unemployment:  
 C.A.S.S.:  
 C.F.G.:  
 C.A.A.M.B.P. Fund.:  
 Department general expenditure:  
 Company general expenditure:  
 Company total costs:  
 Profit:  
 Total costs (without VAT) :  
 VAT  
 Total costs (with VAT):  
 External collaborations:  
 Audit value:  
 Total Estimate of charges:

Audit cost is calculated in lei, at BNR exchange rate, from the calculation day of the estimate of charges, and has a value of 200 \$ / PERSON / DAY OF AUDIT.

Details:

- Repetition of some stages of the certification process implies new costs related to them;
- Repetition of the certification process after its termination, implies new costs related to certification process stages;
- The amount of taxes are updated quarterly and are displayed on the internet at [http://www.rarom.ro/cs-uploads/cost\\_certificarii.pdf](http://www.rarom.ro/cs-uploads/cost_certificarii.pdf) address.
